

To,

VE commercial Vehicle Ltd,

Pali Road, Jodhpur.

Dear Sir,

We are happy to introduce to you our company **Sopan Signature Techhigh Pvt Ltd** professionally managed by IIT'ians and NIT'ians. We have been in the business of the all type of solar power generation. We are EPC and Installation and commissioning solution provider for renewable and environment friendly solar power plants in various capacity.

We are glad to inform you about the good quality and national reputation of our products and services. It will be our pleasure to provide you with our products at reasonable prices and cater to your technical needs.

In this proposal, I've included details regarding the expected impact that a solar system will have on your grid energy use and overall energy cost. You'll also find information showing when you're projected to "break even" on the system given your current and projected energy use, and what your savings beyond that point will be.

Our product portfolio also include all on grid, off-grid, AC/DC Home lighting system, LED/CFL Street lights as per MNRE/ nodel agency specification-ETDC certified, Solar hybrid Power pack systems, Water Pumping systems for agriculture purpose. Apart from this we are also dealing in supply of batteries, Inverters.

Our experienced solar team including Engineer & Technician at Sopan Signature Techhigh Pvt Ltd will be pleased to assist you with your enquiry, question and requirement.

In case of any clarification required, contact undersigned.

We look forward to hear from you at earliest.

Thanks and Regards

Subhash Kala

CEO-Sopan Signature Techhigh Pvt Ltd

Commercial Offer:

25 kWp Solar Power Plant Price	
Description	Price(INR)
Cost of per 25 kWp On-Grid Solar PV Plant	8,75,000 /

***Note- Net Metering Meter charges on Actuals.**

***This price is excluding GST**

Bill of Materials

This is in reference to the Design, Procurement and Installation for 25 kWp Solar Grid connected. Following are the list of components and specifications planned for the project:

S No	Component	Specification	Ratings
1	Solar Module (Make:Solarium)	Polycrystalline 25 years of limited power output warranty	330Wp upto
2	Solar Grid Tied Inverter (Make:K Solar)	True three-phase bridge topology for DC/AC output converter; IP 65; Transformer less topology; efficiency rating of up to 98.2%.	As per design
3	Mounting Structure	Elevated, Mild Steel Hot-dip galvanized, 80 microns Wind bearing capacity 200kmph	As per design
4	Cables DC	Single core DC cable, UV stabilised, multi-strand	As per design
5	Cable AC	4 core solid Al conductor, XLPE insulated, armoured with GI steel strip, PVC inner sheathed, 650/1100V, armoured cable as per IS 7098 (Part 1)	As per design
6	Array Junction Box	Polycarbonate IP 65 (Protection DC fuses, DC Isolator and DC SPD)	As per design
7	Connectors	MC4 IP 65	As per design
8	ACDB	Polycarbonate IP 65 (Protection AC Isolator along with phase indicators)	As per design
9	Earthing	chemical type 3 mtr ISI Mark along with Earthing Chambers as per IS 3043	As per design
10	Earthing Strip	25mmx3mm GI Type	25x3
11	Lighting Arrestor	Std (Copper Type)	3 feet
12	Conduits	ISI Mark	Hard 1"/ Flexible 0.75"

Scope of work:

- ✓ Design of Solar
- ✓ Liaison for NOC and Net metering
- ✓ Installation & commissioning
- ✓ Testing and Handover

Terms and Conditions:

1. **Time Schedule:** The handover of successfully commissioned plant would be in 6-7 weeks from the date of release of PO from the client.
2. **Payment Terms:** The terms of payments for the Contract shall be as detailed hereunder. GST is applicable
 - a. • **30%- Advance at the Time of Agreement.**
 - b. • **40%- Material available at site**
 - c. • **20%- At the time of installation**
 - d. • **10%- Testing and Handover**
3. **Effective Date of Contract:** The effective date of Contract shall be the date of **release of Advance**. The Contract shall be in force till successful handover of Solar On-grid
4. **Defect Liability Period:** **NOTE:** Cleaning of the panels will be in the scope of the client.
5. **Dispute Resolution:**
 - a. In the case of any dispute arising out of or in connection with the terms of the PO regarding its performance, existence, validity or termination, the parties shall first attempt to reach an amicable settlement through mutual consultations and negotiations. If the parties are unable to reach an amicable settlement within 30, (thirty) days from the date on which the dispute arose, any of the party may make a reference to arbitration in accordance with the following by giving a notice to the other in this regard.
 - b. **Governing Law:** This PO shall be governed by the Indian Laws and rules as amended from time to time. The Courts of shall have exclusive jurisdiction in all matters arising under this PO
6. **General Terms and Conditions:** This Purchase Order is subject to Force Majeure conditions. All guarantees, warranties, representations and obligations under this Order shall be upon timely payment as per the payment schedule as contained in the PO. Any claim for damages or unpaid payments that is available to you under law arising pursuant to this Purchase Order shall survive even in case of the termination of this Work Order.
